1.1 Kitebrook Preparatory develops the individual child holistically in a happy, safe and unique environment.

2. Values of Kitebrook Preparatory School

2.1 **Individual** - We value every child as an individual. We believe education should be interesting and challenging, at a level specific to the child's needs.

2.2 **Childhood** - We believe children should be allowed to be children for as long as possible. Our school provisions and choices are developed with this belief in mind.

2.3 **Opportunities** - We offer breadth within the curriculum and foster a child's spiritual needs, which leads them to independence and responsibility. At our school, pupils are praised and recognised so self esteem and confidence are developed.

2.4 **Uniqueness** - Our school environment gives a sense of freedom and space. Within it, we allow the child to play and provide new experiences all the time.

2.5 **Partnership** - We promote love and security for the child with clear guidelines. Relationships are open, dependable and supportive between teacher, parent and pupil.
