

Our Safeguarding Team 2025 - 2026

Designated Safeguarding Team

Our Designated Safeguarding Team manages Child Protection and Safeguarding concerns about the children and young people in our school. They advise staff and parents when there is a safeguarding concern, liaise with the local authority and other child protection partners, and ensure training, policies and procedures are in place.

Please speak to one of the designated safeguarding team if you have any concerns about a child.
